Education:

03/95-08/96 Postdoctoral (Statistics), The Centre for Multivariate Analysis, Department of Statistics, Pennsylvania State University, **USA**. (Advisor: C.R. Rao).

06/91-05/94 Doctor of Science, Department of Mathematics, Hiroshima University, Hiroshima, **Japan**.

Dissertation: *A Study of Nonparametric Estimation of Error Distribution in Linear Model based on L1-norm*. (Advisor: Yasunori Fujikoshi).

Date of Degree Conferred: November 29, 1993.

04/85-03/87 Master of Science, Department of Mathematics, Hiroshima University, Hiroshima, **Japan**.

Thesis: *On Kitagawa's Method of Detecting Outliers by AIC Procedure*.

Date of Degree Conferred: March 24, 1987.

09/73-02/77 Bachelor of Mathematics, Department of Mathematics, Sichuan University, Chengdu, **P.R. China**.

Academic Appointments:

12/11-Present Executive Deputy Director & Academic Coordinator of The EU Studies Centre, International Regional Studies Institute of Ministry of Education, China.

08/10- Present Executive Deputy Director & Academic Coordinator of Centre for European Studies, Sichuan University

07/02-11/2011 Statistical Professor of Mathematical College, Project Administrator, Assistant the Director of ESC, Sichuan University.

- 08/98-06/02 Associate Professor, Assistant to the Director of European Studies Centre, European Studies Centre (ESC) & Department of Economical and Financial Mathematics, Sichuan University, **China**. (Statistics and Econometrics)
- 08/96-08/98 Research Fellow, Department of Economics II, University of Bonn, **Germany**. (Econometrics and Statistics)
- 09/95-07/96 Statistical Consultant, Statistical Consulting Centre, Department Of Statistics, Pennsylvania State University, **USA**. (Multivariate Analysis and Data Analysis)
- 11/94-02/95 Visiting Professor, Department of Mathematics, The Incarnate Word College, TX, **USA**. (Statistics)
- 04/87-06/91 Assistant Professor, Department of Mathematics, Sichuan University, Chengdu, P.R. China. (Statistics)
- 12/83-04/85 Visiting Scholar, Department of Mathematics, Hiroshima University, **Japan**. (Multivariate Analysis and Data Analysis)
- 02/77-12/83 Lecturer, Department of Mathematics, Sichuan University, Chengdu, P.R. China. (Mathematics)

Selected Academic Projects (from 1996 ---):

- 2012-2017** Project Administrator & Collaborator: “The EU Regional Policy and Its Implication to China”, supported by EU Jean Monnet Programme (LLP JMP 2012-2844)
- 2011-2016** Project Administrator & Collaborator: “Diversity in Unity: European Integration and European Social Development”, supported by EU Jean Monnet Programme (LLP JMP 2011-2869)
- 2010-2010** International Conference Co-Chair: “Advanced Topics in Experimental and Behavioral Economics – Intra-cultural and Cross-cultural Perspectives in Management Science”, supported by Sino-German Centre for Research Promotion, No. GZ 576.
- 2008-2013** Project Administrator & Collaborator: “On European Cultural Diversity in the Context of European Integration: History, Culture and Ideology in European Identification”, supported by EU Jean Monnet Programme (LLP JMP 2008-2753)
- 2009-2012** Project Administrator & Collaborator: “European cultural diversity policy and its Implications for China”(No.2009JJD810015), supported by The key research base for major projects 2009, The humanities and social sciences of Ministry of Education, China.
- 2008-2011** Project Administrator & Collaborator: “The European integration process in the Cultural Contradictions and Enlightenment Studies”, supported by Chinese Ministry of Education (No. 08JA810018)
- 2007-2009** Project Principal: “Fuzzy approach to the uncertainty in the behaviour decisions”, supported by National Planning Office of Philosophy and Social Sciences of China (**NPOPSS**, No.07BTJ003).
- 2007-2009** Project Principal: “Data Mining and Decision Fusion”, supported by the No.29 Institute of China Electronics Technology Group Corporation (No. 9140C1002040701).
- 2007-2008** , Project Principal: Compare Study on the Consumption Model in Sichuan Province by Parametric and Nonparametric Methods. Supported by Sichuan Statistical Bureau.
- 2006-2007** Project Principal: “Study of the Consumption Model for Leisure Expenditures of Residents in Chengdu City”, supported by Chengdu City Government, NO.27, 2006.
- 2006.8-11** Co-Project Principal: “Culture and Negotiation in Management – Experimental Methods in International Relationships”, supported by Sino-German Centre for Research Promotion **GZ379**.

- 2005-2007** Project Principal: “The Impacts of Migration and Migration Culture upon European Integration : A Quantity Analysis”, supported by **ESCP/G001-SCU-1**.
- 2001-2005** Project Principal: “Nonparametric inference on uncertainty analysis in economic and financial model”, supported by National Planning Office of Philosophy and Social Sciences of China (**NPOPSS**, No.01BTJ003).
- 2001- 2004** Project Principal (jointly with Dr. Heike Hennig-Schmidt, University of Bonn, Germany): “A comparative study on the treating data uncertainty in economic models”, supported by **NSFC**(No. 7010100005) and **DFG** (No.446 CHV 113/174/0-1).
- 2000-2004** Project Principal: “Applied Nonparametric Regression in Family Consumption Analysis”, supported by the National Nature Sciences Foundation of China (**NSFC**, No. 79970099).
- 2000-2001** Project Collaborator: “A Study on Unsymmetrical Employment and the Unbalance of the EU Labour Market in Relation to Higher Education”, supported by EU-China Higher Education Cooperation Programme (No. 2673123/00).
- 1999-2000** Project Principal: “The Impact of Different Policies in EU Member States on Research in Economics—the difficulty of getting access to official micro data and its reference to China”, supported by EU-China Higher Education Cooperation Programme (No. 4040060/99).
- 1996-1998** Project Collaborator: “Information und die Koordination Wirtschaftlicher Aktivitaeten (Information and Coordination of Economic Activities),” Sonderforschungsbereich 303. Supported by **DFG**.

Selected Honor and Awards:

- 1, The second prize of the Ninth National Statistical award outstanding achievements in scientific research, Chinese National Bureau of Statistics, Beijing, 2008.
- 2, The 3rd Award of Advanced Research in Social Science of Sichuan Province, China, 2008.
- 3, The 3rd Award of Advanced Research in Social Science of Sichuan Province Education Ministry of China, 2006.
- 4, Outstanding Supervisor for Undergraduates’ thesis, Sichuan University, 2005.
- 5, The Annual Silver Medal for Outstanding Contribution to Teach, Sichuan University, 2001.
- 6, The FIRST Award of Advanced Research in Science and Technology from The Sichuan Province Quantity Economical Association, 2000.
- 7, The 3rd Award of Advanced Research in Science and Technology of National Education Ministry of China, 1995.
- 8, The FIRST Award of Sciences Research from the State Bureau of Statistics of Sichuan Province, 1995.

Membership of professional bodies:

- 2006-2008, 2008-2010 IASC-ARS (*International Association for Statistical Computing -- Asian Regional Section*) member of Board of Directors
- 2006- Present, Member of The Council of Chinese Game Theory Academic Society
- 2005- Present, Reviewer of Mathematical Review, American.
- 2009-, Member of The Council of the Statistical Education Society of China.
- 2007-Present, Vice-Chair of the Chinese Society of Probability and Statistics, IIGSS.
- 2001-2009, Member of The Council of Chinese Applied Statistical Society.
- 2002 - Present, Vice-Chair of The Council of Sichuan Applied Statistical Society.

Co-chair on International Conference and Summer School

- U with German Partner at Bonn University, German on “Culture and Negotiation in Management – Experimental Methods in Intercultural Relationships”, Sino-German Summer School 2006.
